

PROJECT APPROVAL RECORD

Bambarddara Management Dashboard

Document Information

Document Name	Project Approval Record
Project	Bambarddara
Document Type	PDF
Status	Approved
Updated	07 Sep 2026
Access	CEO / MD

Approval Details

This document serves as a dummy project approval record for the Bambarddara management dashboard. It is provided for frontend development and testing of the Documents page.

The approval record represents authorization information associated with the project and is accessible to authorized management roles.

Authorization

Role	Access
CEO	Authorized
MD	Authorized

Note: This is a dummy PDF created for frontend testing. The actual project document can replace this file when the backend and document upload functionality are implemented.
